Exercise 11B Left, right, next to and between Non-calculator

1 Which shape is at the far left?

Answer: apple

2 Which shape is at the far right?

Answer: star

3 Which shape is just on the left of the star?

Answer: heart

4 Which shape is just on the right of the apple?

Answer: heart

5 What shape is between the star and the ball?

Answer: cube

6 What shape is between the apple and the star?

Answer: ball

7 How many shapes are to the right of the heart?

Answer: 3

8 Look at the row. Which shape is on each side of the apple, and which is at the far right?

- (a) On the left of the apple

Answer: star

- (b) On the right of the apple

Answer: ball

- (c) At the far right

Answer: cube

9

Which two shapes are next to the heart? Name the one on the left first.

Answer: ball and apple

10

Mia says, "The ball is between the star and the heart." Is Mia right? Explain how you know.

Answer: No. The ball is on the left of the star, so it is not between them.

11

Which shape is in the middle of this row? How do you know?

Answer: heart
