cat

rabbit

guinea pig

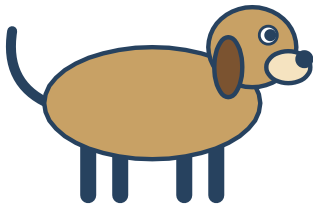

tortoise

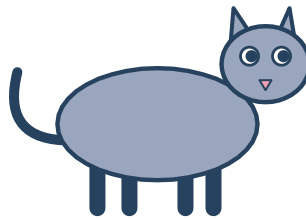

Answer: dog

8

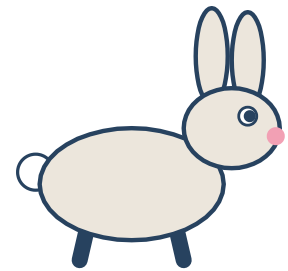

Look at the pets in the picture. Which pets eat only plants? Write their names.

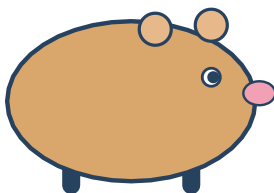

dog

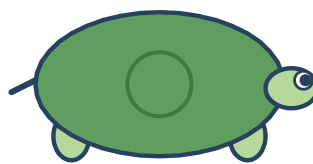

cat

rabbit

guinea pig

tortoise

Answer: rabbit, guinea pig and tortoise

9

Odd one out: cow, sheep, lion, rabbit. Which one is the odd one out? Explain why.

Answer: lion. It is a carnivore, and the others are herbivores.

10

Working scientifically: Jack says a hamster is a herbivore because it is small. How could we find out what a hamster eats?

Answer: Look at what it eats. A hamster is an omnivore, so Jack is not right.
