

Year 1 Science: My arms, elbows, hands and fingers: answers

Year 1 - My Body and My Senses - Lesson 6.2

Answers. Final answers to the worksheet questions. Full step-by-step solutions for every question are free at websink.site/ks1/science/year-1/ch06-my-body-senses/my-arms-elbows-hands-and-fingers/

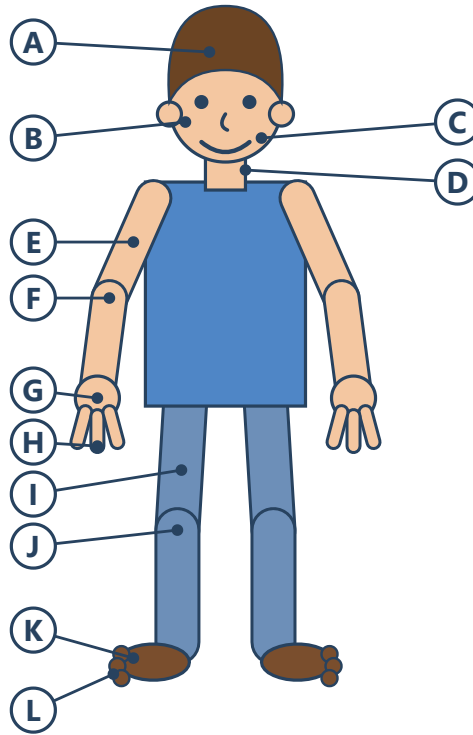

Exercise 6B Arms, elbows, hands and fingers

1 Look at the picture. Which letter shows the arms?

Answer: E

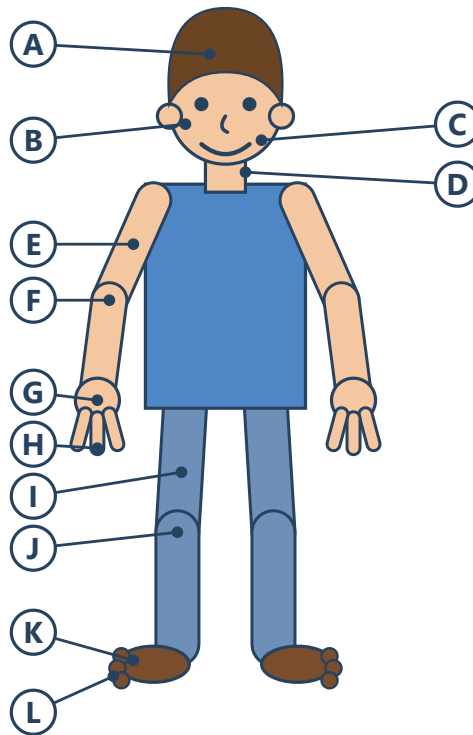

2 Which letter shows the elbows?

Answer: F

3

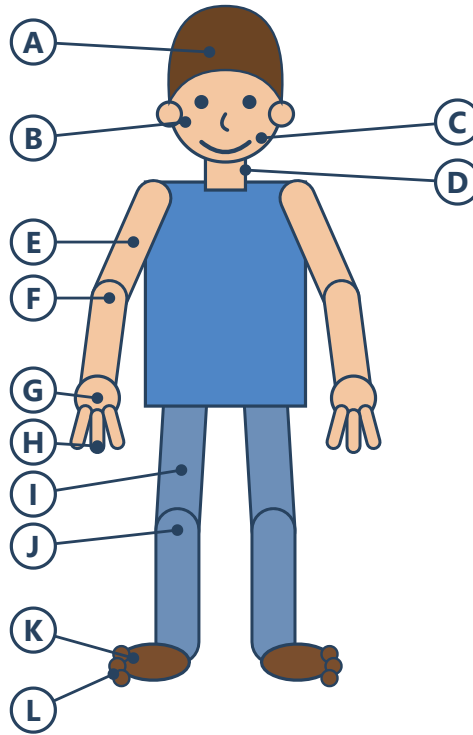

Which letter shows the hands?

Answer: G

4

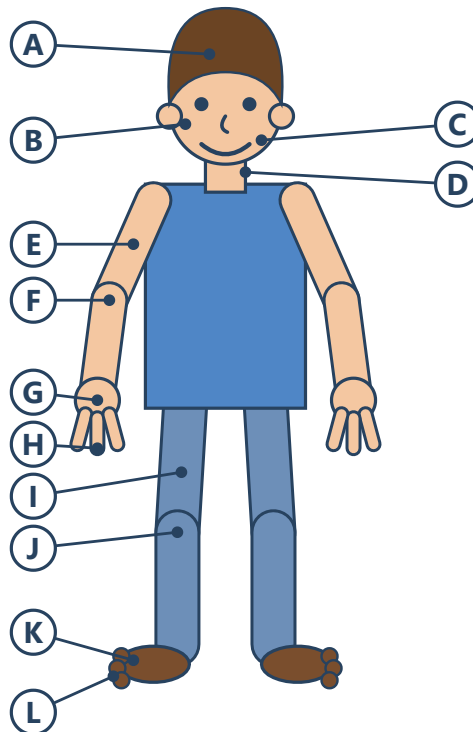

Which letter shows the fingers?

Answer: H

5

How many arms does the person in the picture have?

Answer: 2

6

How many hands do you have?

Answer: 2

7 How many fingers are on one hand? Count the thumb.

Answer: 5

8 How many fingers are on two hands altogether?

Answer: 10

9 Fill the gap: Your arm bends at the ____.

Answer: elbow

10 Odd one out: elbow, knee, hand, finger. Which one is not on your arm? Explain.

Answer: knee. A knee is on your leg, not your arm.

11 Ali says, "I have four fingers on each hand." Is he right? Explain.

Answer: No. Each hand has five fingers, including the thumb.

12 Draw one hand. Count the fingers you drew, including the thumb.

Answer: Five fingers, including the thumb.

13 Working scientifically: What do you think will happen if you cannot bend your elbow? How could we find out?

Answer: Picking up a cup would be harder. To find out, hold your arm straight, then try to lift a plastic cup, then bend your arm and compare.
