10 Write the body part for each description.

- (a) The part that grows on top of your head

Answer: hair

- (b) The part that has your eyes, nose and mouth

Answer: face

- (c) The part that joins your head to your body

Answer: neck

11 Draw a face. Label the eyes, ears, nose and mouth.

Answer: A drawing of a face with four labels: eyes, ears, nose and mouth.

12 Working scientifically: Cover your eyes with your hands. What do you think will happen? How could we find out?

Answer: You cannot see much. To find out, cover your eyes and try to find a toy a grown-up has hidden.
