(a) Raindrops falling from a cloud

**Answer:** rainy

(b) Lines with arrows showing moving air

**Answer:** windy

(c) White snowflakes falling

**Answer:** snowy

**10** Mei says it is windy because the leaves on the tree are blowing about. Is she right? Explain.

**Answer:** Yes. Blowing leaves show that the wind is moving.

**11** Working scientifically: How could we find out what the weather is like each day? What would you use to record it?

**Answer:** Look out of a window every day and record the weather with a word or a symbol on a chart.
